

Benefits that exceed your standards.

Solstice is proud to continue to offer the employees of the State of Arizona a premium dental benefits package! We understand that benefits are unique for everyone – that's why Solstice has designed a comprehensive, open-access HMO plan: the UnitedHealthcare Dental Solstice S800B, for you and your family.

Your benefits— your choice.

Coverage on more than **545** benefit procedures

An open-access nationwide network of **90,000+** providers

2 Free Routine Cleanings

No charge for exams and X-rays

Open Access Network – **no provider assignment**

Implant Coverage

Adult and pediatric orthodontia coverage

To make the most of your benefits and save on dental expenses, stick to in-network providers. Remember, there are no out-of-network benefits for you. If you choose an out-of-network provider, you will be responsible for covering the entire billed cost. Please contact member services if you have any questions.

A carrier you can depend on.

Solstice, a UnitedHealth Group Company, is proud to serve members nationwide with dental benefits that meet each individual's needs. With over 20 years of industry expertise and a mission to bring brighter moments to all, we are committed to offering best-in-class benefits that support your overall health and wellness.
